THE HISTORY OF CHALONG BAY RUM

Blending vision and passion, the unique dream is to create truly original handcrafted rum using sustainable production that binds the traditional French art of distillation with the rich sugarcane heritage of Thailand.

Using a traditional copper steal imported from France and a centuries-old distillation process, Chalong Bay's innovative craftsmanship has produced an award-winning rum of incredible character, originality and smoothness, giving full expression to the 100% natural Thai sugarcane contained within.
